

## **Bendigo Volunteer Resource Centre**

### **Strategic Plan 2023-2027**

#### **Vision Statement**

*Through volunteering, we facilitate and build vibrant regional communities, that are diverse, connected, prosperous, supporting good health and well-being.*

#### **Role Statement:**

*We create awareness, empower collaboration and participation in diverse, flexible community volunteering.*

#### **Our Values:**

##### ***Connecting:***

*We welcome and connect individuals, organisations and communities.*

##### ***Awareness:***

*We create awareness of flexible, diverse, inclusive opportunities with meaning and purpose.*

##### ***Innovation:***

*We, through best practice, resource, support and encourage communities to grow, be flexible and innovative.*

##### ***Fairness***

*We understand, respect and acknowledge the diversity of volunteers, organisations, communities, needs and abilities, providing opportunities to participate.*

##### ***Collaboration:***

*We actively listen and engage in building strong relationships with all aspect of our communities.*

**Strategic Goals: (to link to community needs)**

- 1. To link communities, individuals and community organisation.*
- 2. To increase voluntary participation through information, training, mentoring and innovative solutions.*
- 3. To recognise and support the diversity of volunteering across our communities.*
- 4. Through collaboration, promote best practise approaches to volunteer management and engagement.*
